Daily immersion with a host family

To progress in German what if your child simply shared the daily life of a German family? Hosted by a carefully selected family, they will be immersed in the sounds, the habits and customs, and will rapidly become familiar with the language. Their apprehensions will quickly fade and they will start to communicate with increasing ease. This integration programme is certainly effective for speaking more fluently and also for communicating with other people.

- + 100% immersion
- + Continuous learning
- + Family Life

LEISURE ACTIVITIES WITH YOUR HOST FAMILY

The family shows you around and makes you discover the area.

• Programme

This individual programme, in total immersion in a German family without tuition, requires maturity and communication skills as you share the daily life of the family. During the stay you'll keep a journal to be brought back home along with a certificate of completion.

• Accommodation

Full board accommodation. The room can be shared with a foreign student or a child of the family.

We won't place students of a same nationality in the same family. The hosting area will be decided depending on dates and availabilities.

• Locations

Placements will be done all over German according to students and host family profiles.
